

Job Offers

We, Kyushu Gaigo College, are a college located in Fukuoka, Kyushu specializing in English. Founded in 1961, we quickly established a national reputation for our innovative and effective style of English language teaching. We have links with other language schools in the UK, USA, Canada, New Zealand and Australia. Currently, we are offering various courses for English language training as well as job retraining classes.

- For our English classes we are looking for an English teacher who
 - speaks English at a native level
 - has teaching experience in Japan
 - preferably has experience teaching private students for TOEFL and IELTS certification
- For our Kids classes we are looking for an English teacher who
 - likes children
 - preferably has experience teaching children
 - likes to dance and sing
 - is a child at heart

All job offers require basic Japanese language skills.

If you think you meet these qualifications and would like to work with us, please contact us either by email or post your CV including a photograph.
